

Mandy Lost Her Cat!

Connect each word are to get through the maze.

A large maze puzzle where the goal is to connect the word "are" to get through. The maze is composed of several interconnected paths and dead ends. The words "are", "am", "be", "been", "best", "because", "before", "below", "between", and "best" are scattered throughout the maze. The word "are" is the key to solving the puzzle, as it appears in multiple locations that can be connected to form a path from the start to the end.
