# MAKE YOUR OWN MAP

Follow the instructions and use the icons given below to draw a map of your neighborhood.

## Instructions:

1. Draw your house in the middle of the empty space.
2. Draw your road and any roads that come off it.
3. Draw three landmarks that are near your house. You can use the icons provided below or create your own.
4. Add other details (draw some animals or your neighbor) and fill the gaps.

 house	 hospital /clinic	 library/ school	 post office
 park	 cafe	 grocery store	 bank
