# MAP YOUR ROOM

Follow the instructions and use the icons given below to draw a map of your room.

## Instructions:

1. Use the box as the walls of your room. Add the objects inside the box.
2. Cut and paste or draw the objects that are in your room. You can also create your own if it's not available below.
3. Add other details (a table lamp, window, etc) and fill the gaps.
4. In the end, color all the objects and walls to make them look just like your room.
5. room.
