

CAUSE AND EFFECT

Look at the statements below and answer the questions.

- A. Lily's family felt sad as she left the Thanksgiving dinner because she got a message from a friend who needed help.

Write the cause of Lily leaving the dinner in your own words.

- B. Gilly loves mangoes. Last summer, she had loads of mangoes. Because of her immense love for mangoes, she planted a seed in her backyard. She waters it regularly. The plant is now growing.

Write the cause of planting mango seed in your own words.

- C. When Shay saw her grades, she was shocked and devastated. Her grades were not enough to go to her dream college. Her mother told her not to worry and gear up for another attempt. She worked hard and aced her exams on the second attempt.

Write the cause of Shay working hard in your own words.
