

## PRACTICE COMPARE AND CONTRAST

Read the sentences below and decide whether they are comparing similarities or contrasting differences between **going to the beach** and **going for a trek**. Write "CP" for compare and "CT" for contrast in the space provided.

- 1 \_\_\_ Both activities involve spending time outdoors in natural environments.
- 2 \_\_\_ Going to the beach often includes swimming in the ocean, while going for a trek usually involves hiking through forests or mountains.
- 3 \_\_\_ At the beach, you can build sandcastles, while on a trek, you can explore diverse landscapes.
- 4 \_\_\_ Both going to the beach and going for a trek provide opportunities for physical exercise and adventure.
- 5 \_\_\_ Beach trips offer water-based activities like snorkeling, while treks offer encounters with wildlife.
- 6 \_\_\_ Whether at the beach or on a trek, individuals can experience moments of relaxation and serenity.
- 7 \_\_\_ While at the beach, you can enjoy the sound of waves and the feel of sand between your toes; during a trek, you can listen to the sounds of nature and feel the crunch of leaves beneath your feet.
- 8 \_\_\_ At the beach, you might collect seashells, while on a trek, you might spot birds or animals.
