

READ AND ANSWER

Read the following short story and answer the following questions.

Benny and Bella were two curious bunnies who lived in a cozy burrow at the edge of the forest. Every day, they hopped around and explored the wonders of nature. One sunny morning, they stumbled upon a field of colorful flowers. Excitedly, they hopped from flower to flower, admiring the vibrant petals and inhaling the sweet scent. Suddenly, Benny spotted a big, juicy carrot peeking out from the ground. Bella's ears perked up with excitement as they both nibbled on the tasty treat. After their snack, they continued their adventure, hopping and playing until the sun began to set.

1. What did Benny and Bella discover one sunny morning?
