

LOOKING AT A PLAY!

Read a short scene from a screenplay given below.

INT. MAGIC FOREST - DAY

A magical forest with colorful trees and talking animals. The sun shines through the leaves, creating a warm and welcoming atmosphere.

CHARLIE, a curious bunny with big floppy ears, hops around the forest. He stumbles upon a TALKING TREE.

CHARLIE

Wow! A talking tree! Hi there!

TALKING TREE

Hello, Charlie! What brings you to my part of the forest?

CHARLIE

I heard there's a special flower that grants wishes. Do you know where it is?

TALKING TREE

Ah, the Wishflower! It's deep in the heart of the forest. But be careful, Charlie, it's guarded by the GIGGLE BUTTERFLIES.

CHARLIE

Giggle Butterflies? Are they friendly?

continued . . .

TALKING TREE

Oh, they're very friendly, but they love to tickle! If you want the Wishflower, you'll have to make them laugh.

CHARLIE

I can do that! Thanks, Talking Tree!

Charlie hops away, determined to find the Wishflower. He meets GIGGLE, a giggly butterfly.

GIGGLE

Hello, Charlie! What brings you here?

CHARLIE

I'm looking for the Wishflower. Can you tell me a joke?

GIGGLE

Sure! Why did the butterfly bring a suitcase?

CHARLIE

I don't know, why?

GIGGLE

Because it wanted to go on a bug vacation!

They both burst into laughter. The other Giggle Butterflies join in.
