

READ AND DRAW

Pick up your colors and pencils; it's time to become an illustrator! Look at the following descriptions and make illustrations for them in the space provided. Don't forget to color your creation.

Imagine yourself in a spacesuit, floating in space, surrounded by stars, planets, and a shiny rocket ship. You're on a grand adventure, exploring the mysteries of the universe! Draw colorful planets with unique shapes and patterns. Add shooting stars, asteroids, and comets for extra excitement.
