Detective Benny the Bunny loved solving mysteries. One morning, he received the news that the Cupcake Festival's cupcakes had disappeared!

Benny, armed with his magnifying glass, questioned Mrs. Sweets, the cupcake baker. She tearfully pointed to Nutty, a mischievous squirrel. Nutty confessed that he saw the cupcakes hopping away.

Upon following a trail of frosting, Benny found the cupcakes having a secret party in the Candy Forest. After convincing them to return home, Benny led a sweet parade back to the festival. The townspeople then turned the festival into a joyous celebration.
