

READING MARATHON

Read the following paragraph and complete the diagram.

Yesterday, Sarah woke up feeling excited because it was park day. She called her friends, and they all decided to go to the park together. When they arrived, they ran to the swings and took turns flying high in the air. After that, they raced to the monkey bars and challenged each other to see who could go the fastest. When they got tired, they spread out a big blanket on the grass and unpacked the delicious snacks they had brought for their picnic. Suddenly, they heard quacking and turned to see a group of ducks swimming gracefully in the pond nearby.
