

SPOT LETTER S IN THE RHYME

S

Read the rhyme and circle each letter **S** that you find.

A Happy Face

by Kathryn Zobeck

Art by Holly Hatam

Draw one yellow circle.

Draw two bright eyes.

Draw one nose.

Make it just the right size.

Draw one pretty smile with a curve at each end.
Take one step back.
See your new smiling friend.

What's looking at you with features in place?
It's a shining sun with a happy face.
