

SPOT THE WORD AM

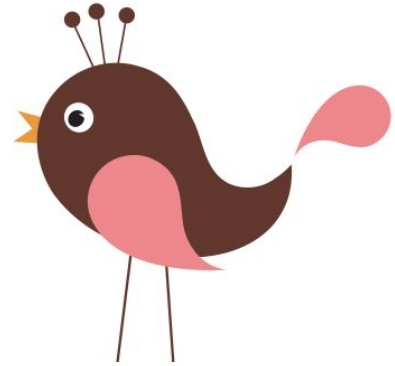

am

Read the rhyme. Circle the word **AM** each time you spot it.

I Am

In the morning light, I am free,
A little bird up in a tree.
I am singing with pure delight,
As the sun rises, oh so bright.

I am happy, I am small,
Dancing in the meadow, having a ball.
I am joyful, I am carefree,
Chasing butterflies, you see.

In the evening sky, I am still,
A sleepy moon, a tranquil thrill.
I am dreaming, floating far,
Twinkling like a distant star.
