

SPOT THE WORD CAN

can

Read the rhyme. Circle the word **CAN** each time you spot it.

Look at Me

Song Lyrics: Marilyn M. Linford

Look at me. Look what I can do.
Look at me. Look what I can do.
I can zip my coat. I can tie my shoe.

I know my shapes and colors too.
I can cut with scissors and I can glue.
I can recite my alphabet.

I can clean my room.
I can make my bed.
I write my numbers from one to ten.
I can spell my name.
I can hold my pen.

Look at me. Just take a look!
