

SPOT THE WORD FIND

find

Read the rhyme. Circle the word **FIND** each time you spot it.

In a Land of Make-believe

In a land of make-believe, we'll find,
A world of wonders, so fine.

Follow me, hand in hand we'll go,
Through beautiful forests, to and fro.

In the stars, we'll find our way,
In the night sky, where dreams sway.

Find the courage, find the light,
As we journey through the night.

Lost in tales, we'll find the key,
To unlock adventures wild and free.
So come with me, let's leave behind,
The ordinary, and new paths find.
