

# SPOT THE WORD MAKE

make

Read the rhyme. Circle the word **MAKE** each time you spot it.

## Make a Wish

Make a wish upon a star,  
In the night sky, near and far.  
Make it bright, make it true,  
Dreams you wish will come to you.

Make a castle out of sand,  
By the waves, it'll proudly stand.  
Make it tall, make it wide,  
A sandy fortress, full of pride.
