

SPOT THE WORD RUN

run

Read the rhyme. Circle the word **RUN** each time you spot it.

Run, Run

Run, run, let's go play,
Through the fields, we'll find our way.
Jump and giggle, laugh with glee,
We're the happiest, you and me.

In the rain, we'll splash and run,
Feeling joy, it's so much fun.
Chase your dreams, reach for the sky,
With every step, let worries fly.
