

# THE BAKE-OFF IRONY

At the annual Garden City Bake-Off, some interesting events unfolded. Which of these are examples of irony? Write S for situational and V for verbal.

1 Mrs. Thompson had a blueberry pie that smelled heavenly.

2 At the end of the event, with flour and icing everywhere, the organizer remarked, "Well, this went exactly as I had imagined."

3 Mr. Roberts, a three-time champion, looked at his deflated soufflé and said, "I always aim for that pancake look."

4 Lucy, allergic to nuts, baked the most delicious walnut pie that everyone raved about.

5 Little Suzie was proud as she presented her batch of gingerbread cookies, having practiced for weeks.
