

Addition with Oolzoo and Hoppy

Oolzoo and Hoppy add numbers by making the addend a multiple of 10. Check who did it right.

I will subtract 3 from 53 and add 2 to 18 to adjust the addends.

Oolzoo is correct.

$$53 + 18$$

I will subtract 3 from 53 and add 3 to 18 to adjust the addends.

Hoppy is correct.

I will subtract 1 from 18 and add 1 to 29 to adjust the addends.

Oolzoo is correct.

$$29 + 18$$

I will subtract 3 from 29 and add 3 to 18 to adjust the addends.

Hoppy is correct.
