

Trace the Number Ten

Color the birds and trace the number in words. Use the space given at the bottom to practice writing the word.

10

Tracing practice for the word "Ten". Each row consists of a solid top line, a dashed middle line, and a solid bottom line. The word "Ten" is written in a dotted font on each line, with the first letter 'T' being larger and starting from the top solid line. There are four rows of this tracing practice.
