

# Trace the Number 9

Color the space objects and trace the number. Use the space given at the bottom to practice writing the number.

9

Tracing practice lines for the number 9. Each row consists of four dotted '9's for tracing, followed by blank space for independent writing. The first four rows each have a solid top line, a dashed middle line, and a solid bottom line. The fifth row has a solid top line, a dashed middle line, and a solid bottom line, but no dotted '9's.
