

## Multiple Choice

Select the correct option which should replace the blank.

$$5 + 7 = 12$$

If 5 is increased by 1 then 7 should be \_\_\_\_\_ by \_\_ to have the same result.

- 2**
 **3**
 **6**

$$8 + 9 = 17$$

If 8 is increased by 2 then 9 should be decreased by \_\_\_ to have the same result.

- 2**
 **3**
 **6**

$$6 + 5 = 11$$

If 6 is decreased by 3 then 5 should be increased by \_\_\_ to have the same result.

- 1**
 **3**
 **6**

$$9 + 7 = 16$$

If 9 is increased by 1 then 7 should be \_\_\_\_\_ by 1 to have the same result.

- increased**
 **decreased**

$$8 + 4 = 12$$

If 8 is decreased by 3 then 4 should be \_\_\_\_\_ by 3 to have the same result.

- increased**
 **decreased**
