

# Compose Decimals to Create Shapes

Solve riddles to create decimals and use them to draw corresponding shapes.

- I am between 11 and 12. My tens, ones, and tenths digits are the same. Make a rectangle around me.
- I am between 11 and 12. My tenths place is 2 times the hundredths place. Make a triangle around me.
- I am between 11 and 12. My tenths place is 9 and the hundredths place is 4. Make a circle around me.
- I am between 11 and 12. My hundredths place is 5 more than the tenths place. Make a pentagon around me.

**11.84**

**11.94**

**11.49**

**11.15**
