

# Convert into Word form and Create Shapes

Convert the decimals into word forms and use them to draw corresponding shapes.

- If I am 0.16, make a rectangle around me.
- If I am 0.61, make a heart around me.
- If I am 0.89, make a circle around me.
- If I am 6.01, make a pentagon around me.

**6 tenths and  
1 hundredth**

**8 tenths and  
9 hundredths**

**1 tenth and 6  
hundredths**

**6 ones and 1  
hundredth**
