

Collect Data

Count and answer the questions.

It's time for you to make your own table. You have not met your friends in a long time so it is time you call them up, ask them about their favorite things and make your own table.

Circle the topic you want to talk about.

- Favorite color
- Favorite ice cream
- Favorite cartoon
- Favorite subject

Make a tally table on the chosen topic by calling your friend and asking who likes what. For Example, If you choose color, you could make a table on whose favorite color is red or yellow or blue.
