

# Standard Division Algorithm

Use the standard division algorithm to find the quotient and remainder.

1

$$7 \overline{) 50}$$

2

$$6 \overline{) 33}$$

3

$$9 \overline{) 45}$$

4

$$8 \overline{) 49}$$

5

$$3 \overline{) 21}$$

6

$$4 \overline{) 21}$$
