

Estimate Fraction Sums

Estimate the sum by rounding each fraction to 0, $\frac{1}{2}$, or 1.

$$\frac{3}{7} + \frac{1}{5} \approx$$

$$\frac{5}{8} + \frac{7}{9} \approx$$

$$\frac{19}{22} + \frac{3}{30} \approx$$

$$\frac{21}{40} + \frac{5}{12} \approx$$

$$\frac{9}{50} + \frac{9}{20} \approx$$

$$\frac{15}{16} + \frac{11}{25} \approx$$
