

Round and Sort the Eggs

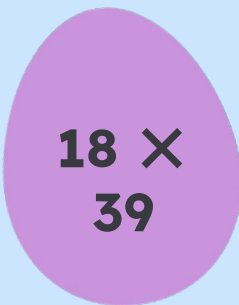

Estimate the product by rounding to the nearest 10s, then sort the eggs into baskets based on their estimated products.

$$\begin{array}{r} 21 \times \\ 11 \end{array}$$

$$\begin{array}{r} 19 \times \\ 31 \end{array}$$

$$\begin{array}{r} 49 \times \\ 12 \end{array}$$

$$\begin{array}{r} 18 \times \\ 39 \end{array}$$

$$\begin{array}{r} 29 \times \\ 28 \end{array}$$

$$\begin{array}{r} 19 \times \\ 13 \end{array}$$

$$\begin{array}{r} 21 \times \\ 29 \end{array}$$

$$\begin{array}{r} 21 \times \\ 38 \end{array}$$

$$\begin{array}{r} 51 \times \\ 11 \end{array}$$
