

## Find Product Using the Associative Property

Use the associative property of multiplication to rearrange the numbers before finding the product.

•  $4 \times 5 \times 3 =$    $=$

•  $2 \times 7 \times 6 =$    $=$

•  $9 \times 2 \times 8 =$    $=$

•  $5 \times 3 \times 4 =$    $=$

•  $7 \times 3 \times 4 =$    $=$
