

Roll the Dice!

Roll 2 dice and write 2 addition facts using the numbers that show up. Then write the related subtraction facts.

$3 + 2 = \square$

$5 - 2 = \square$

$2 + 3 = \square$

$5 - 3 = \square$

$\square + \square = \square$

$\square - \square = \square$

$\square + \square = \square$

$\square - \square = \square$

$\square + \square = \square$

$\square - \square = \square$

$\square + \square = \square$

$\square - \square = \square$
