Interpret the Tally Marks

Answer the questions based on the tally marks. It shows the number of students who have different pets.

Color	Number of Students
Cats	||||
Dogs	~~||||~~ |||
Birds	|||
Fish	~~||||~~ |

- How many students have cats?

- What is the total number of students who participated in the survey?

- Which pet is the most popular among the students?

- How many more students have dogs than birds?
