Find the Missing Number

Use the associative property of addition
to find the missing numbers.

$8 + \underline{} + 3 = \underline{} + 4 + 3$

$4 + \underline{} + 3 = 4 + 2 + \underline{}$

$3 + 7 + \underline{} = 3 + \underline{} + 6$

$10 + \underline{} + 2 = \underline{} + 6 + 2$

$\underline{} + 2 + 5 = 6 + \underline{} + 5$
