

Multiply by 6

Fill in the numbers in the outer ring by multiplying the numbers in the middle ring by the center number.

The diagram shows a multiplication grid with three concentric rings. The center contains a multiplication sign (\times) and the number 6. The middle ring contains the numbers 2, 7, 3, 10, 1, 4, 6, 5, and 9. The outer ring contains the number 12 and several blank spaces for the student to write the results of the multiplication.

		12		
	8	2	7	
9		\times 6		3
5				10
	6		1	
		4
