

Plotting on Coordinate Plane

Start from the origin and move in the direction specified in each clue to plot them on the coordinate plane.

Name	Clue	(x,y)
A	2 units upwards, 2 units to the right	
B	6 units to the right, 2 units upwards	
C	9 units to the right, 4 units upwards	
D	7 units upwards, 4 units to the right	
E	8 units to the right, 9 units upwards
