Make a Model

Make a model using dots and boxes to represent the word problem and write its related multiplication expression.

Mark has 2 boxes of donuts. Each box has 4 donuts in it.

How many donuts does Mark have in all?

Model:

Expression : ☐ × ☐

Solve : ☐ **donuts**

Emma buys 7 packs of notebooks. Each pack has 2 notebooks in it.

How many notebooks does Emma buys?

Model:

Expression : ☐ × ☐

Solve : ☐ **notebooks**
