

Rounding Decimals Race

Round the decimals to the nearest whole number and answer questions based on the given scenario.

In a race, gold and silver medals will be awarded based on the following rules:

Gold medal: If the distance covered rounds to 5.

Silver medal: If the distance covered rounds to 4.

The table shows the distances covered by the runners:

Runner	Actual Distance	Rounded Distance
Kim	3.9	
Jane	4.1	
Ben	4.8	
Dave	5.2	
Sam	4.3	

1. How many runners will receive a gold medal?

2. How many runners will receive a silver medal?
