

Sorting Shapes

Help Oolzoo sort the shapes into the correct carts according to the labels.

A collection of various colored polygons is scattered in the center. A dashed arrow points from a light blue square on the left towards the cart labeled '4 corners'. At the bottom, a pink cartoon character named Oolzoo stands between two blue carts with yellow tops and red handles. The left cart is labeled '4 corners' and the right cart is labeled '5 corners'. The shapes include: an orange parallelogram, an orange concave pentagon, a purple pentagon, a light blue square, a pink concave pentagon, a purple concave pentagon, a grey pentagon, a blue pentagon, and an orange pentagon.
