

# Sorting Shapes

Help Oolzoo sort the shapes into the correct carts according to the labels.

A collection of seven colorful, cartoonish shapes with faces, arranged in a circle. The shapes are: a green triangle, a blue parallelogram, a green trapezoid, a grey diamond, a yellow triangle, a grey triangle, and an orange trapezoid. Below the shapes are two blue carts with yellow tops and red handles. The left cart is labeled "3 sides" and the right cart is labeled "4 sides". A pink, round, cartoonish character named Oolzoo stands between the two carts. A dashed arrow points from the orange trapezoid to the "3 sides" cart.
