

Subtract Multiples of 10

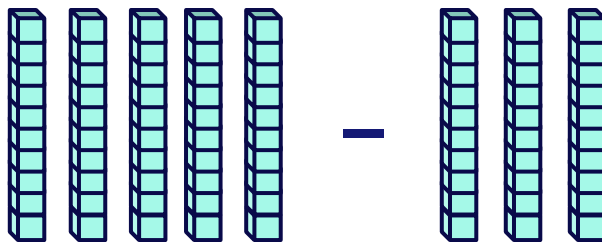

Use base 10 blocks to subtract.

$$\square \text{ tens} - \square \text{ tens} = \square \text{ ten} = \square \text{ ones}$$

$$\square \text{ tens} - \square \text{ tens} = \square \text{ tens} = \square \text{ ones}$$

$$\square \text{ tens} - \square \text{ tens} = \square \text{ tens} = \square \text{ ones}$$
