

Identify the Fraction

Write the fraction for the given parts of the objects.

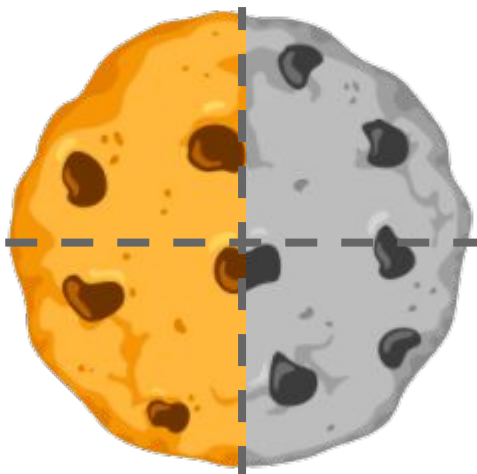

Mia has 5 pieces of chocolate. One piece of the chocolate is white and the remaining pieces of the chocolate are dark.

Fraction of chocolate as white = $\frac{\square}{\square}$

Fraction of chocolate as dark = $\frac{\square}{\square}$

Henry cut a cookie into 4 equal parts. He ate 2 parts of the cookie.

Fraction of cookie eaten = $\frac{\square}{\square}$

Fraction of cookie remaining = $\frac{\square}{\square}$
